All,

I think I've got Helen's version beat. I was able to find a pretty clean paper copy in our HQ files and tried the Scan to PDF à Adobe Acrobat "Recognize Text" trick. And it worked pretty well.

The version I sent out isn't great but it's a start until someone has a better one.

I think this is the 2004 file. Don, can you share this in word form so we can do word searches?

Thanks,  
Katie

Katie and Roberta,

The 2004 CZARA document is attached. Please give me a call if you need anything else. Unfortunately I will not be able to get a draft of the "framework for reviewing comments" out today. I will try to get it done on Monday.

Alan
